

92 McGuire Rd – Pre Trip

Charlie & Rose Huntington

It won't be long until you're on the way to enjoy your Maine Camp Experience. In order to make sure your stay is the best possible, here's a few things to keep in mind.

Camp Location: McGuire Rd is located about 4 miles down Rt 213 from Damariscotta. If you don't have a Garmin, please call or e-mail for more complete directions. The road is thru a gate on the right. If you make the Bunker Hill Church at the top of the hill you JUST missed it. Once on McGuire, it is paved and goes steadily down. At the bottom, it goes 90 degrees to the right and the tar ends. You'll be facing a yellow garage on the left. Just after that there's 2 driveways right together, ours is the 2nd one.

Key: The key is located in the "shed" under the stairs. It hangs on the backside of the front on the upper right corner. Note that the key opens the door but does not unlock it. We find that the best practice is to leave the key in the lock and DO NOT bring it into the camp. This minimizes the chance of locking yourself out. If you leave for a short time, it is probably not necessary to lock up – after all it's Maine!

Check In/ Checkout: Check In is anytime after 2PM. Check Out is 11AM.

Smoking: There is absolutely no smoking allowed in the camp. If you smoke on the property, please police your butts. Thanks!

Sheets/Towels: These are not provided. The camp has a master bedroom with a queen sized bed. The second bedroom has 2 twin beds, and the porch has a pull out sofa with a full sized bed. Remember to bring plenty of towels as you'll be swimming as well as showering.

Paper Goods- We provide a enough TP & Paper Towels to get you started upon arrival. After that you're on your own.

Outdoor Cooking- We provide a propane grill with an extra cylinder. We also have a charcoal grill if you prefer – you'll need your own charcoal and lighter fluid.

Water: Running water comes from the lake. It is fine for showers and dishwashing. We use bottled water for drinking and ice cubes. Please do not throw the water bottles away, we'll refill them.

Contact Numbers: In a real emergency call 911!! If you need other help from us call:

Charlie's Cell – 207-841-3996

I&S Insulation (Charlie's shop) – 207-687-2029
