## **GTOAM - December 1997**

### **IS IT COLD AND ICY???**

Is it cold and icy where you're at??? I can't say the same for me as I left Maine on Dec. 28 and am currently in Puerto Rico. I've got a great tan, live a short walk from the beach, and have drag races 20 mins from home 3 times a week. The drags are quite interesting. There's a few full blown V-8 drag cars, but there's a lot of 4 cyl Toyotas and Rotary powered Mazdas. These are not as impressive visually and they don't sound the same. But they run in the 11's and 12's. I saw one last night in the 9's. Despite all this I'd rather be home, lying on the cold cement floor of the garage ripping into the Firebird.

### **INTERNET**

One of the ways that I cope with being away from my Pontiacs is to visit my favorite Pontiac web sites. These include:  
Performance Years – [www.1pontiac.com/pnbbs2.htm](http://www.1pontiac.com/pnbbs2.htm)  
Classicac Pontiac – [www.classicalpontiac.com](http://www.classicalpontiac.com)  
Pontiac Publications –
