JUNE CRUISE

Another Great Time Outing (GTO) has come and gone. We were blessed with very fine weather and a great itinerary for the June Cruise. Hats off to Paul Johnson for putting together this fine event – not to mention his services as Albacore tour guide. We had some great hospitality at Red Hook. They even supplied some door prizes. To top it all off we had a couple of Moose check us out when we returned to exit 8 in Westbrook. Check out the pictures on the GTOAM website at the address above

THE NEXT ONE!

The annual Pool Party is on! We're invited to Jeff & Mary Shepard's on Sunday August 22. The club will provide the side dishes and soft drinks. You provide your own grill fixins and adult beverages. Mark this date on your calendar now, we'll provide more details later.

MAAC NEWS

The 50's and 60's event at Owl's Head is nearly here. Bring a canned good donation for MAAC to donate to the Salvation Army. Check out the attached flier (courtesy of the Penquis Cruisers!).

The MAAC calendar is attached for both shows and cruise nights. Fred Worcester is the person responsible for putting all this info together – awesome job Fred!

WEB PAGE

This paragraph is the same as from the last newsletters but still applies – still going strong. Keep tabs on the Roster, Members rides, and more. Check out the MAAC page for the latest 1999 Calendar

Send me a picture of your car if I don't have it already. I'd like to have a picture of everyone's cars on the net. If you have one with you in it as well that'll be even better. Even if you don't have access I'll have all the pics in the club photo album as well.

Get those parts wanted/for sale ads to me as well. Fred sold his tripower to someone in MA who found it on the GTOAM page.

"AUTO" BIOGRAPHIES

We did this before and I really enjoyed it. Please send me in a brief story of your life as it specifically relates to your auto. I enjoy learning more about our members and their cars, plus it helps me fill this space!
